Please make sure you have filled out the registration form (available online or in the office) before you come to the event next Tuesday, April 28, at 5 p.m. at the COC football stadium. You'll be checking in at the Canyon High table before entering the stadium. Thousands of dollars in prizes will be given away in many prize drawings, our drum line will be performing, and a Canyon High School student will be recognized for the Nissan Service Award. Career Technical Education (CTE) & ROP courses offer students career pathways and career exploration leading to industry certification and a foundation to continue on to post secondary career education. ROP has a variety of courses in healthcare, law and forensics, engineering and advanced technologies, business, education, culinary, graphic design and many more. Whether you plan on pursuing an education at a four year university, a community college or specific technical training.

ON THURSDAY, APRIL 30th the Counseling Department will take a field trip to the National College Fair in Pasadena. There will be over **300** colleges attending! This trip is open to sophomores with a GPA of 2.5 and above. Unfortunately, juniors are testing on that day so they won't be able to attend. However, the fair will repeat in the evening. Please consider attending at night from 6:00-9:00 pm.

College fairs are an easy way for you to learn about and compare a variety of colleges all in one day. You get to meet representatives from the colleges, and more importantly, **they get to meet you!** Colleges keep track of your visits to their campus, your requests for information, or visits to their booths at the college fair. *They are more likely to accept a student that has shown a real interest in their school.*

If you are interested in attending the fair, please pick up a field trip form from Mrs. Hetteema, the counseling secretary. To pay for the bus, we are requesting a \$10 donation fee, but entrance into the college Fair is FREE!

MATH TUTORING with Mrs. Denny is CANCELED for the next two weeks. See you May 7th for math tutoring. Remember tutoring goes from 2:30 until 4 p.m.

ATTENTION ATHLETES --who want to participate in the CHS summer camps. Registration packets are now available in the ASB office and the front office. Please complete ASAP if you want to participate.

SOME STUDENTS TAKE PRE-COLLEGE CLASSES OR PROGRAMS ON COLLEGE CAMPUSES. They can range from a few days to a few weeks. Some are nearby and some are far. They range from the arts to science research and everything in between. The student/family pays for these if they are interested and most take students until they are full. See the list in the Counseling Office.
