GENERAL

NO PARKING IN THE DIRT ON THURSDAY: Students and Staff will **NOT** be allowed to park in the dirt area directly across from school this Thursday, December 3rd. Please notice you'll need to park further down the street on Nadal, or use the main student & staff parking lot. There will be signs posted on Wednesday evening, blocking off this area. Please plan ahead. Other parts of Nadal will be open. Just not in front of the main Admin building.

TUTORING TUESDAYS is happening this week in the library. Come to the library after school on Tuesday and get help in all your subjects. Math, English, Econ, Spanish, and Social Studies help is available. Hang out with your friends, study, use the computers, and improve your grades. We'll see you Tuesday in the library after school.

STUDENTS: Please check your Tentative Spring Schedule Lists for errors. If you are missing a class or if you changed your mind about an elective, please explain the situation on the back of the list and turn the form into the Counseling Office today or tomorrow. The counselors are still hoping to fill the Main Office Concierge (office host) positions, and there are still some spots available for students to help other students in the classrooms as Peer Tutors or AVID Tutors. Please request one of these special elective spots on the backside of your Tentative Spring Schedule. ROP Offset Lithography (offered per. 1) still has seats available for next semester. Please see Ms. Okronick in the ROP office for more information.
