MEETINGS

ANIME is starting up for the year. We want to invite anyone and everyone who is interested in the art of anime to join us today in room G-220 to check it out. We do everything from learning anime techniques to watching anime on TV. It's tons of fun! See you there at lunch in G-220!

OPERATION US will hold its first meeting at lunch, Wednesday Sept. 1 in room E-3. Operation US is one of the longest running clubs on campus. Its purpose is to have high school students train elementary students in ways to show respect, understanding and tolerance for others. It will not only teach you presentation skills and give you a great deal of personal satisfaction, but it is also good or community service hours. Hope to see you Wednesday. If you have any questions see Mr. Ballard or Ms. Mast.

MATH CLUB will be meeting Wednesday, September 1 at lunch in G-201.
