

Back to School Night

September 8, 2011

Dear Parents and Guests:

As we begin our school year, Canyon High School's faculty and staff extend a warm "welcome" to our annual Back-to-School Night Program. We appreciate your attendance and look forward to this opportunity to meet with you and provide an overview of Canyon's outstanding educational program.

The Back-to-School Night Program will begin at 6:45 p. with presentations on the Outdoor Amphitheater by Canyon's band, choir, and ROTC. At 7:00 p.m., parents and guests will follow their student's schedule from class to class. Each member of the faculty has prepared a 10-minute presentation that will include course content, student expectations, and other pertinent information. Because of obvious time constraints, we ask that parents contact their student's teacher(s) by appointment and/or call the Counseling Office for an appointment to discuss individual student concerns.

Several groups on campus will host information tables outside the Library, and we encourage you to stop by any time during our program to learn more of their planned activities. Refreshments will also be available for purchase to help support some of our clubs and groups on campus. We hope your evening is both enjoyable and informative.

Sincerely,

Bob Messina
Principal
