**Arizona State** just visited us! Did you know that they accept students who are meeting the **A-Gs**, have a **GPA of 3.0** and either a **24 on the ACT** or a **1110 on the SAT** (math and reading only, not writing)? The **application window is open** and they accept students on a "rolling admissions basis". That means you can apply now and will know in about 4 to 6 weeks if they accepted you! Also, they also have merit scholarships (look on their website ~ they have a calculator to see what you might get based on your **GPA**) and they **ARE** a **WUE** school. That means you can save \$10,000 off their out-of-state tuition costs, if you apply for & and qualify for the **WUE** degree/program too! Some of their top programs are nursing, business, engineering, journalism, and their Honors College (you can get an **IVY League** education at Arizona State!), and Sustainability (How to be "Green"). Hundreds of programs to choose from Be a **Sun Devil**! Questions? contact: [tony.aguilar@asu.edu](mailto:tony.aguilar@asu.edu)
