## CANYON HIGH SCHOOL

MONDAY, APRIL 9, 2012

LATE START WEDNESDAY: APRIL 11

---

### GENERAL

**HEALTH OFFICE:** When you are ill, you must get a pass from your teacher to come up to the Health Office. It is there that contact will be made with your parents/guardians to arrange for you to go home. Do not call or text your parents or guardians from the classroom expecting to be summoned to the Health Office.

**ROP - Career and Technical Education:** Please encourage your sophomore or junior to stop by the ROP office and see the variety of classes available for next year. These classes provide an excellent opportunity to learn about careers while earning high school credits. All classes are taught by industry professionals. These courses can provide students a great opportunity to learn about a career they may be interested in before spending the time and money on college-level courses. Some of our courses have a course articulation agreement with COC. For a current schedule of classes and course description, visit our website at [www.hartROP.com](http://www.hartROP.com) or have your student see Mrs. Gaines in the ROP office.

### MEETINGS

**OPERATION US:** Our Mint Canyon presentation is this Friday! We are meeting Tuesday, April 10th at lunch in E3 to prepare. Please bring your completed permission slips. If you need a slip, see Ms. Mast ASAP.

**GSA** (Gay/Straight Alliance) Club Meeting Thursday during Lunch in A Lecture Hall.
