ROP - Career and Technical Education: Please encourage your sophomore or junior to stop by the ROP office and see the variety of classes available for next year. These classes provide an excellent opportunity to learn about careers while earning high school credits. All classes are taught by industry professionals. These courses can provide students a great opportunity to learn about a career they may be interested in before spending the time and money on college-level courses. Some of our courses have a course articulation agreement with COC. For a current schedule of classes and course description, visit our website at www.hartROP.com or have your student see Mrs. Gaines in the ROP office.

ROP COSMETOLOGY - Today is the last day to turn in your ROP Cosmetology application to start the program in Fall 2012. Don't miss out on an amazing opportunity.
