HEY COWBOYS! Last semester, the American Red Cross held an emergency comfort kit drive to help prepare needy families for disasters. The purpose of these kits is to provide survival essentials, as well as comfort items, to help families get through in the event of a disaster. The American Red Cross asked each SCV high school to host a drive for a specific item to contribute to the kits. Canyon High was assigned books and magazines. American Red Cross would like to thank Canyon High for having a successful drive last semester in donating 227 books and magazines to contribute to the emergency comfort kits. Way to go Cowboys!!!

STUDENTS: If you are interested in attending the February Job Fair for Six Flags Magic Mountain, representatives from Six Flags will be on campus Tuesday, January 22nd at both brunches and lunch to give you more information.
