Becoming a College of the Canyons Student Workshop
March 18, 2013, during lunch in A Lecture Hall

An Outreach & School Relations representative from College of the Canyons will be on our campus to conduct a workshop focusing on preparing students to understand the steps needed to become a College of the Canyons student.

By attending the workshop, students will find out how to successfully:

Apply for the summer and fall terms

Earn an early registration date

Prepare for the English & math placement test

Meet with a counselor

Register & pay for classes

And much more!

This workshop is open to all graduating seniors and students interested in concurrent enrollment.*

*Concurrent enrollment provides 11th and 12th grade high school students the opportunity to enroll in COC courses. Students can earn college units while satisfying A-G requirements.

DO YOU ENJOY designing, writing, math, physics, construction, and art? If the answer is yes, you might want to learn more about careers in the Engineering and Design Industry! Join us in the library at lunch on March 28th to hear about some opportunities available through COC to prepare for a career in Engineering and Design. Stop by the library to check out the architectural models on display. Program attendees may have the opportunity to earn extra credit for attending. (The library tables will be closed at lunch on the 28th for the presentation; be sure to make other study plans that day.)
