Principal's Message

Hello Cowboys,

It is my pleasure to welcome each of you to our Open House for 2018. I consider Open House an opportunity for our staff and students to show off all the impressive programs, lesson planning, student work, and the successes we experience every day here at Canyon High School. I am very excited to be named the new principal of Canyon High School, and I look forward to working with students, staff, families and community members to build upon our many accomplishments and create new learning opportunities. Canyon is rich in tradition, and the staff is committed to preparing every student for success in a post-secondary 21st Century world. We recognize the importance of a strong working relationship between home and school. These relationships allow families and faculty to work closely together in all aspects of school life. Lastly, I would like to welcome our future Cowboys and their families who are looking forward to numerous adventures over the next four years.

As you walk through campus this evening, we hope you enjoy all of the extraordinary activities and experiences we have to offer here at Canyon High School.

Thank you,

Mrs. Holcombe
